Ref: Sec. 154.38 Code of Ordinances

Application submittal requirements.

The applicant shall provide two copies (18" x 24") and an electronic version (i.e. PDF, CD, etc.) of the final subdivision plat and other required documents and fees to the City Planner for review and approval by city staff. The plat must also be furnished in an AutoCAD format as approved by the city.

- Minor subdivision plats involving four or fewer lots fronting on an existing street and not requiring the creation of any new street or the extension of municipal facilities.
- A replat as described by state law that does not require the creation of any new street or the extension of municipal facilities. (Tex. Local Gov't Code, § 212.0145)
- An amending plat as defined in Sec. 154.38(D).
- All minor plats must first be preceded by properly prepared and approved preliminary plat and construction plans, except in areas previously platted and filed of record.
- The minor subdivision plat shall be prepared by a licensed land surveyor and shall comply in all respects with the sketch plan or preliminary plat.
- City staff may present the plat for approval to the Planning and Zoning Commission and City Council.

Form and content.

- 1. The final plat shall include the entire subdivision, or section thereof, which derives access from an existing local, county, or state street, roadway, or highway.
- 2. Name and address of the applicant, record owner, engineer, and surveyor.
- 3. The date of the map, approximate true north point, and scale.
- 4. Proposed name of the subdivision, which does not have the same name or similar to the name of any other subdivision located within the city, or within the extra-territorial jurisdiction of the city.
- 5. Names of the adjacent property owners and the contiguous subdivisions.
- 6. Description by metes and bounds, of the subdivision boundary, which shall show existing subdivisions, streets, easements, rights-of-way, parks, and public facilities in the vicinity.
- 7. The location and dimensions of all subdivision boundary lines of the property indicated by heavy lines, expressed in feet and decimals of a foot, and computed in acreage of the subdivision.
- 8. Notation of any self-imposed restrictions, and locations of any building setback lines.
- 9. In addition to the various requirements for the preliminary plat, the final/minor subdivision plat shall also include the following:
 - (a) The exact location, dimensions, name and description of all existing streets, alleys, reservations, easements, or other public rights-of-way within the subdivision.
 - (b) The exact location, dimensions, description and name of all proposed streets, alleys, utilities,

drainage, watercourses, structures, parks, other public areas, reservations, easement or other rights-of-way, blocks, lots, and other sites within the subdivision.

- (c) All monuments, corners, and other points established in the field in their proper places.
- (d) Owner's acknowledgement and dedications. (See Appendix B for samples.)
- (e) Surveyor's certificate. (See Appendix A for example.)
- (f) City Planner's approval space for minor subdivision's only. (See Appendix B for example.)
- (g) [Within the ETJ] County Commissioner's approval space. (See Appendix B for example.)
- (h) [Within the ETJ] County Health Officer's approval space. (See Appendix B for example.)
