

MOSQUITO SPRAYING SCHEDULE

May-Sept

The Mosquito Control program runs from May till the end of September. The City of Mount Pleasant sprays for mosquito's between the hours of 12AM-6AM on Thursday and Friday each week.

Zone 1 - East of Jefferson - Thursday

Zone 2 - West of Jefferson - Friday

Tips for residents to help with mosquito control

- Drain the water - Eliminate all sources of standing water that can support mosquito breeding.
- Avoid going out during dusk and dawn. Mosquitos are most active during these times.
- Protect your home. Make sure that all doors and windows have tight fitting screens. Repair or replace screens that have tears or holes.

***Please note weekly spraying will only help control the mosquitos it will not eliminate them.**
